## SUMMARY

Motivated Information Technology student with knowledge of Java, SQL, HTML, CSS, and JavaScript. Passionate about software development and AI, with hands-on experience through academic projects. Quick to learn new technologies and looking for an opportunity to gain practical experience and contribute to a development team.

## EDUCATION

|                                                                           |                                         |
|---------------------------------------------------------------------------|-----------------------------------------|
| <b>B. tech, IT - CGPA: 9.57</b><br>Vishnu institute of technology         | <b>Jul 2024 - Present</b><br>Bhimavaram |
| <b>Intermediate - Percentage: 95.5</b><br>Narayana jr college             | <b>Jun 2022 - May 2024</b><br>Kurnool   |
| <b>Schooling - Percentage: 96.7</b><br>Viswa Jyothi English Medium School | <b>Jun 2019 - Jun 2022</b><br>Kadapa    |

## PROJECTS

- 1. AI That Knows When It Might Be Wrong :Technologies: Python/Java, AI API, Machine Learning ; Developed an AI system that identifies low-confidence responses. Flagged uncertain answers and encouraged verification. Improved response reliability by providing confidence-aware outputs**
- 2.Smart Placement & Resume Analyzer : Technologies: Java, MySQL, HTML, CSS, JavaScript, AI API Developed a web application that analyzes resumes using AI and provides personalized improvement suggestions. Implemented student authentication, resume upload, and skill-gap analysis. Built a dashboard to track student profiles and recommended learning resources.**
- 3.Automated College Query Handling : Technologies: Java/Python, HTML, CSS, JavaScript, AI API ; Built a chatbot to answer common college-related queries. Automated responses for admissions, courses, fees, and campus information. Reduced manual effort by providing instant responses**

## CERTIFICATIONS

- IBM SkillsBuild – Web Development Fundamentals**
- Data Science Master Virtual Internship – EduSkills (AICTE & Siemens)**
- Python Essentials 1 – Cisco Networking Academy & Python Institute**
- Python – Kaggle Learn**
- Infosys Springboard – AI, Deep Learning, Prompt Engineering & Python Fundamentals**
- Tata Group – GenAI Powered Data Analytics Job Simulation (Forage)**
